

# Seals

Seals are slippery.  
Seals are slim.  
Seals are shiny  
When they swim.

Seals are smiley.  
Seals are proud.  
Seals can sometimes  
Bark out loud.

Seals can sit up.  
Seals can clap.  
Seals take baths  
Before they nap.

Seals have flippers.  
Seals have fins.  
Seals have whiskers  
On their chins!
